

## Accommodation (*suggestions*)

All talks will be given at the Sheffield Institute for Translational Neuroscience (see map below).  
Some suggestions for accommodation close to the institute:

1. [University accommodation](#) (it now looks unavailable but it will probably start showing available rooms around the end of October).
2. ["Rutland Hotel"](#)
3. ["Westbourne Hotel"](#)
4. ["Eturia House Hotel"](#)
5. "Best Western Cutlers" (not so close but there's a convenient tram / bus service).

Notice that the above document lists accommodation in location order *from the main campus* and not from SITraN (where the event will take place), so you might want to also consult a map (see below).
